 - Steven Winegarden selected his hangar door, the Hydroswing single-flap door for his new hangar at Frazier Lake Airpark.
8. Old Business. No update from Mr. Feemster, chair of the light sport pilot program and the committee:
 - John Feemster
 - Mary Doherty
 - Jim Doherty
 - George Nicholson
9. John Feemster's tech advisor report on Weight & Balance. was presented by Mr. Mann. Mr Feemster was a rocket scientist for Lockheed and has created an awesome program for complete analysis. After much discussion of his diagram, with commentary and questions from the members, John Gould volunteered to create W&B 101 presentation to be based upon the actual step by step process using Mr. Mann's Jabiru as a math exercise and to show how the diagram is created.
10. Nominations for 2011 with elections and transfers scheduled for January :

President:	John Gould
Vice President:	John Feemster
Secretary:	Stephen Mann

Web site trainee: Vaughn McIlrath (liason with Gary Garcher)
Chief pilot & tech advisor John Feemster
Board chairman: Stephen Mann

11. The Round Robin talks followed.

- Steve White – returning from a motorhome road trip through 29 states and 6 Canadian provinces. Dropped by to see what’s up, as he always enjoys this club. Embarking on another 4-month road trip starting in January, then will move to Mariposa. His Challenger is at the Mariposa airport.
- Merced hangar rent is \$175 / month and Mariposa rent is \$161/ month but a three year list.
- John Gould and Lou Janis are in the process of selling his Odyssey to a guy in Chicago.
- 1964 Cougar donated to the Flying Aces Inc., our associated club, is still in process of FAA legal transfer.
- Mary Doherty – Watched the video, “Barnstorming” and enjoyed it. It’s now in the EAA 110 cabinet available for viewing.
- Steven Winegarden is looking for a challenger to salvage.
