

EAA UL Chapter 110
Minutes from July 16, 2011
Taken by Vaughn McIlrath

Vice President John Feemster opened the meeting at 1:30 pm.

Those present:

John Feemster
Phyllis Feemster
Vaughn McIlrath
Steven Winegarden
Bob Meuse

Don Wiggin
Rich Grialou
Steve Adams
Jim Doherty
George Nicholson

1. Minutes from the June meeting were noted missing. Vaughn McIlrath will write them up and submit them.
2. Treasurer's report: We have \$727 in the checking account, per email from Mary Doherty.
3. John Feemster brought up a request by a guy, Jerry Oliver, who wants to make a short movie about Sport Aircraft. It will be about 5 – 10 minutes long. Mr. Oliver is writing a script. There was discussion about where to film and whose aircraft.
4. John Feemster is proposing a project that would identify people with particular skills and resources within and without the Club – if I understand correctly. John will bring an example to a future meeting.
5. The meeting was closed at 2:15 pm.

Steve Adams presented photos of his Eindexker III project. He has his new engine, and is exploring methods for mounting it. The engine is a Generac V2.

Respectfully submitted,
Vaughn McIlrath
